

## St. Louis Region SCCA PDE Track Event Instructions

- 1) **Arrive at World Wide Technology Raceway at Gateway**- 700 Raceway Blvd, Madison, IL 62060  
Find a place to park. Covered or uncovered parking is on a first come first served basis. No trailers are allowed to drive through the infield tunnel. Unload your car and get ready to run.
- 2) **Go to check-in** – it is located in the media room which is in the building just to the North of the Concession stand.
  - a. Sign waiver
  - b. Show drivers license, SCCA card (unless you purchased a temporary membership)
  - c. Drop completed self-tech sheet off at tech, get your helmet checked, get run group windshield sticker
  - d. If you have any questions about your group designation, ask the Chief Instructor.
- 3) **Review the event schedule** is attached to the e-mail and also located on the website.
- 4) **Attend mandatory driver's meeting** You'll learn the rules and expectations for the day here.
- 5) **Prep car** - Make sure all loose objects and floor mats are out of the car, check lug nut torque, tire pressure, etc.
- 6) **Proceed to grid** when your group is called.
- 7) **Have fun and be safe!**
- 8) **After all track sessions** are complete for the day, please go back to the Media Room and complete your Instructor Evaluation Form and review with Instructor. Review the Student Evaluation Form prepared by your Instructor.
